

September 2025

Dear Parent/Guardian

If your son/daughter is a beginner, they would very much benefit from taking some lessons before the trip. Aldershot dry ski slope are holding a number of dates for Learn to Ski in a Day courses reserved for Maiden Erlegh students. These lessons are not mandatory, but children who have taken part always make much faster progress on snow than those who do not.

**Please note that I am acting as facilitator only, and that school staff will NOT be in attendance.**
